### 24 Pages and other poems (Wave Books) Lisa Fishman

Lisa Fishman's sixth book of poetry is centered on bodies and where they are in relation to each other—whether a body is of plant; of person; or of words, and whether a body is personal or civic; singular or collective; alive or dead. The contradictions of lyric unfold, in this most unconventional elegy, by means of perception so steady it can change. *24 Pages and other poems* extends backward and forward, with the presence of many, such as John Clare and Friederike Mayröcker, helping along the way.

*As if a corridor*

*could open or the EAR's two missing*

*letters — h e a r t — e a r t h — wherever*

*an animal pops out of the water such as a hooded merganser*

*appeared to do a somersault diving under, not like a mallard more like a child*

*or a ball — it didn't come up*

*until it did*

**Lisa Fishman** is the author of six books of poetry, including *24 Pages and other poems*, *F L O W E R C A R T*, *Current*, and *The Happiness Experiment*. The first Lorine Niedecker Poet-in-Residence in Fort Atkinson and Blackhawk Island, Fishman lives in Orfordville and Madison, Wisconsin. She teaches at Columbia College Chicago.
