Los Angeles: Photographs: 1967-2014 Lloyd Ziff

Los Angeles is a superb collection of photographs taken of one of America and the world's most fascinating cities as seen through the eyes of photographer, art director and award-winning designer Lloyd Ziff. Shot over the last 4 decades in classic black and white and contemporary color photography, Ziff's *Los Angeles* captures the changing landscape of the city's architecture, streets and people as only a seasoned Angeleno can.

"Lloyd's photographs hone in on the sometimes-subtle, oft-times overt wonders of everyday California West Coast locales. His landscapes of sand, surf, and the setting sun register in each frame a sense of peace and quiet isolation." - Paul Ruscha
