Making an Impact: Building a Top-Performing Organization from the Bottom Up Timm J. Esque

What's a Self-Sustaining Performance System? It's an innovative approach to performance consulting that promotes long-term performance improvement by helping individuals, departments and entire organizations learn to: Prevent performance problems from occurring in the first place, identify when performance problems do arise, and resolve those problems so that they do not reoccur. The Self-Sustaining Performance System approach has generated remarkable bottom-line business results for a wide variety of organizations. Filled with real-world examples, flowcharts and templates, Making an Impact will help you make a valuable and sustainable impact on any organization!
