"Every motherhood journey is unique – we all have different stories to tell. But we all have the privilege in sharing in two common, important moments within our journey: We are all born again when we become mothers and we all love our children unconditionally...The journey of motherhood is ever evolving. It is an imperfect star that chooses to shine each night. It is the highest mountain to climb, but the one with the most breathtaking view from the top." A touching collection of short writings and poems covering the many emotions of motherhood from the first year of life and beyond. Includes the poems: 'Calming Chaos', 'Always More' and 'Mum-ma.' The perfect collection for all mothers, especially first time mothers, wanting to reflect on their own story and the many milestones they experience on their journey into the first year of motherhood - because it is beautiful and important, no matter how hard the climb may seem. *Copyright: Mama's Milestones
