Strategies for Family Law in Texas provides an authoritative, insider's perspective on the changing environment regarding domestic law in Texas. Featuring partners from some of the state's leading law firms, this book guides the reader through the new challenges of presenting evidence while respecting privacy guidelines, working with changing laws regarding same-sex marriage, and handling marital settlement agreements with courts. These top lawyers share their points of view on spousal support, community property, and the valuation of assets. From parenting time to collaborative divorce, these authors also provide strategies for resolving the highly emotional issues which often arise during family law cases. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating this ever-changing area of law.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
