The Brighter the Light, the Darker the Shadow. As anyone born in the Glamour Isles will tell you, what you see in the mists is not always what is really there. Whether on land or sea, there is a power more ancient than the Synchrony, a force that comes from the earth itself and can take a myriad of forms from bone-chilling horror to heart-stopping beauty. When you open this book, you will come face to face with the world of the Sidhe - not as the distant and aloof creatures you may have encountered in your previous travels, but as they truly are - a complex race of beings driven to experience Théah in every way possible. As you will see, the Kingdom of Bryn Bresail holds many surprises, not all of them pleasant . . . The history of the Sidhe and their relations with Théah. Details about the mysterious Sidhe kingdom of Bryn Bresail. New Sidhe swordsman schools, new NPCs and character templates, and a variety of new creatures (some old friends and some new enemies). Information on creating Sidhe characters and ideas for running campaigns. Fully compatible with both the d20 system and the classic 7th Sea system! To use this companion, a Game Master also needs a copy of Swashbuckling Adventures, and a Dungeons & Dragons Core Book. A player needs only Swashbuckling Adventures and a Dungeons & Dragons Core Book.
