The Yemen Contract: A Hayden Stone Thriller (Hayden Stone Thrillers) Arthur Kerns
Arthur Kerns, a former intelligence officer, returns with his most explosive Hayden Stone adventure yet.

"Kerns takes his readers into the shadowy world of international terrorism. Hayden Stone is a character worth rooting for, and Arthur Kerns is a talented storyteller." ?Sheldon Siegel, *New York Times* bestselling author.

CIA operative Hayden Stone has his work cut out for him. Abdul Wahab seeks to make a power grab in the exotic land of Yemen and establish a terrorist base from which to launch an attack on Europe.

Wahab lures Stone to Yemen by kidnapping his partner CIA officer Sandra Harrington in Sicily. Stone comfortably operates in this world where tribal leaders vie for power with the central government, al Qaeda exerts its influence through murder and mayhem, and double-dealing among Bedouin and townspeople is a national pastime.

And the light from the merciless desert sun can cloak the most potent of weapons.

The cat and mouse game goes from the capital Sana'a, to the deserts in the far east of the country, and to the mountain villages in the north. Stone has a personal stake in this mission, but can never keep his eye off of the greater plot developing, the one that puts millions in peril, and that only he can stop.
