Unholiness: Overcoming the Forces That Attack Your Soul Christopher Bounds, Jim Lo

There are very natural (and even supernatural) enemies against God's design, conspiring from within us and without our own flesh, our own world, and the demonic. Commonly known as sin, this unholy trinity is the mother of all manner of suffering and death. Worse yet, the human struggle with sin can often be compounded by popular misconceptions about it in religion. Authors Chris Bounds and Jim Lo return our minds and hearts to a clear, biblical understanding of the real problem of sin, and God's simple and perfect remedy: transforming a soul into what's holy.
