Doctrines of Devils and the Coming Delusion Charles T. Mesic

This book was written using the Bible as the standard, and is for the novice as well as the seasoned scholar. This work will challenge you on every level. Many of the toughest subjects in theology today are answered Biblically and explained in a manner that anyone can understand. It reveals the mystery around the End Time delusion, how to avoid it and the falling away mentioned in Thessalonians. The author explains how the Great Pyramids, Stonehenge, and other wonders of the world are tied to the Bible and why Jesus is the only way to heaven. You will be shocked, to find out who the false Christ's are and why they are currently hiding. This work points out that there are some minor misconceptions of God's word that will ultimately help with the Delusion and how many well known ministers today are already falling for it as well. Their failing doctrines say that you may be able to get to heaven without Jesus and this shows that they will embrace the antichrist. Jesus told us to pray that we be found worthy to escape these things and the author explains what you must do in order to do just that. God clearly told this author to warn his people so read on if you dare, be forewarned, be armed with the truth and escape these things.
