#### **Quivering Land Roewan Crowe**

Roewan Crowes compelling and haunting literary debut, *Quivering Land*, is a rather queer Western, engaging with poetics and politics to reckon with the legacies of violence and colonization in the West.

Interspersed in the text are fragile, beautiful images painstakingly cut from paper, created by artist Paul Robles. This experimental long poem, a gritty feminist meditation on trauma, violence and the possibilities of art, is as powerful as a Smith and Wesson Schofield rifle.
