**World leaders, Nobel Prize-winning economists, and award-winning writers—this anthology brings together the finest thinking to suggest solutions to the global predicament**

The state of the global economy affects everyone, and with economic growth threatened by financial regulation and the East and West at competitive odds, the real solutions to global recession can only come through international cooperation. This anthology breaks free from old ideas to provide new strategies for success by drawing on our real future strengths: collaboration and global cooperation. Contributors include former South African president FW de Klerk, former White House director of Economic Policy Todd Buchholz, *The Cult of the Amateur* author Andrew Keen, Nobel Prize winner Professor Edmund Phelps, former managing director of the World Bank Dr. Mamphela Ramphele, Professor Martin Feldstein—professor of economics at Harvard University, University of Chicago professor Dr. Marvin Zonis, and many more.
