Wetlands (Seedlings) Kate Riggs

The popular Seedlings series offers irresistible introductions to animals, birds, sea life, insects, eco systems, and an array of transportation. Written in a friendly voice, filled with dynamic photos, and featuring text crafted for the youngest of readers, these books spotlight the bodies, behaviors, and habitats of living things and the parts, operation, and roles of vehicles. As introductions to informational text, these titles will plant the seeds of knowledge! A kindergarten-level introduction to wetlands, covering their climate, plant and animal life, and defining features.
