National Geographic Dolphins 2017 Wall Calendar National Geographic Society

Dolphins are recognized as the sea's most intelligent creatures. Scientists believe that these ocean mammals communicate with one another with a series of complex sounds. They are curious and gentle creatures that seem unafraid of humans, often enjoying our company. National Geographic Dolphins 2017 will make a splash with anyone who is fascinated by ocean life. Several dolphin species are featured: Bottlenose; Pantropical spotted; Common; Spinner; Atlantic spotted; Pacific white-sided. Each outstanding image is accompanied by insightful National Geographic information and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research, and education programs. The calendar includes a 3-year at-a-glance page and is earth friendly, printed with soya-based inks on FSC certified paper.
