The boys are back and fiercer than ever! "We were a unit tonight, moving as one. Even apart, we are deadly, but when combined – we are f**kin' unstoppable." ~~ God ~~ Atlanta's notorious narcotics task force is at it again. They are stronger, bigger, and better than ever. Especially when a city councilman sends RECON Marine, Edwin Steele - who's been blacklisted from his Oakland department - to join the team. God and Day weren't recruiting. They have a lot on their plates, like the fact they're supposed to be getting married soon. They don't have the time or the patience to integrate a decorated war hero with a slight chip on his shoulder into their well-oiled machine. A hothead that's uncontrollable and terrible with authority... but wasn't that their team motto? Steele was ready to hang up his shield. He was done fighting with bigoted bastards that couldn't respect the job. He was good at fighting; he just needed the right team to fight with. When his uncle - City Councilman, Rasmus Steele - shows him a video of God's team in action, he knows right away, it's where his nephew belongs in order to restore his faith. Steele pointed to the driver, a behemoth of a man wielding those massive firearms like a true beast... like a soldier. "And him. Who the hell is he?" "That's your new boss. Lieutenant Cashel Godfrey... they call him... God." Steele was skeptical about his new placement, but when he meets God's technology specialist/computer genius, "Tech," he's willing to give it his all, and he definitely shows and proves. Tech is stunning. His sweater vest and khakis, a stark contrast to the blue-jeaned roughnecks he works with. A beautiful sheep amongst the wolves. Steel thinks there's no way the brilliant man would be interested in a hardhead like him, but Tech has a few badass hidden talents of his own and manages to surprise him... surprise all of them. This story is a part of a series but can stand alone. It does not end on a cliffhanger and has a HEA. There are no multiple pairings in this novel.

Still don't get it, oh come on its called reading friends.

Carole Arehart:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Nothing Special V can make you truly feel more interested to read.
