## **Our Glorious Heritage** Christeen Anderson

After the passing of Mary Baker Eddy, December 3, 1901, there has been a systematic plot to wipe out the glorious legacy that was left for "any sincere seeker of Truth." Christian Science has been so adulterated that now it holds very little resemblance to the rules and system left to us at her passing. This incredible scholarly work examines just how this has been done. This book was produced from the original compilation of five works by Christeen Anderson, "The Beauty of Holiness," "The Design of God," "The Church Manual: Yesterday—Today—Forever," "The Great Deception," and "Science Obscured." In addition to the expose of just how Mary Baker Eddy's writings have been corrupted, there is also a fascinating chronology exposing the conspiracy against Mrs. Eddy just prior, and immediately after, her passing. Everything is meticulously documented with original source material.
