Putting Together Professional Portfolios Christine Forde, Margery McMahon, Jenny Reeves

With the increasing emphasis on continuing professional development for teachers and all educational practitioners, the use of portfolios to plan, chart, and review professional development is now widespread. Drawing directly from their experience of developing portfolios and portfolio-based assessment, and from current research, this book enables the reader to design and plan a portfolio, chart and analyze relevant professional experiences, reflect critically on practice, assess performance against standards and competences frameworks, present evidence of practice and achievements, and plan their continuing professional development. There are also chapter objectives, key questions and tasks in every chapter, which adds to the practical focus of the book.

From reader reviews:

Jordan Weatherspoon:

The actual book Putting Together Professional Portfolios has a lot of information on it. So when you read this book you can get a lot of help. The book was authored by the very famous author. Tom makes some research just before write this book. This kind of book very easy to read you can find the point easily after perusing this book.

Deanna Nance:

Your reading 6th sense will not betray anyone, why because this Putting Together Professional Portfolios e-book written by well-known writer who knows well how to make book which can be understand by anyone who read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still uncertainty Putting Together Professional Portfolios as good book not only by the cover but also from the content. This is one guide that can break don't ascertain book by its protect, so do you still needing another sixth sense to pick this specific!?! Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Mark Montague:

Within this era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become among it? It is just simple strategy to have that. What you are related is just spending your time almost no but quite enough to get a look at some books. One of several books in the top collection in your reading list is definitely Putting Together Professional Portfolios. This book that is certainly qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking up and review this guide you can get many advantages.

William Jones:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Putting Together Professional Portfolios can make you experience more interested to read.
