Barristers are often faced with the challenge of providing practical solutions to their clients' problems. Adopting a highly practical approach, *Remedies* is designed to help trainee barristers to identify and choose appropriate remedial relief, and calculate damages where necessary. From the general principles of remedies in contract and tort to a range of remedies that are available in various areas of law, including judicial review, real property, trusts, unlawful discrimination, and EC remedies, the extensive coverage of *Remedies* ensures that trainee barristers are fully prepared for practice. Realistic problems and worked examples feature throughout, encouraging students to apply the relevant law and practise choosing the remedy which will best serve their client's objective.

Remedies is essential reading for all trainee barristers, and is also a useful source of reference for junior practitioners wishing to refresh or refine their skills in this area.
