## Sexualities and Identities of Minority Women

The concept for this book came about following the publication of the volume *Health Issues Confronting Minority Men Who Have Sex with Men*, published by Springer in 2008. Consistent with its title, that work focused on specific health issues identified by communities, researchers, and AIDS service providers that were and continue to be of concern. During the preparation of that volume, I received numerous telephone calls and e-mails from women in various parts of the country, asking why a book was not also being developed to address their often-neglected concerns.

Accordingly, the topics addressed in *Identities and Sexualities of Minority Women* were developed based on input from minority women who participated in focus groups conducted in diverse regions of the United States. These focus groups were held specifically to provide an opportunity for sexual minority women in minority communities to identify those issues that from their perspective are most salient and relevant to their lives. It is not surprising, in view of the variation in process by which the topics were identified, as well as the differences in perspective associated with differences in sex and gender, that this resulting compilation of topics departs substantially from the focus of the companion text addressing health issues of minority men who have sex with men.

### From reader reviews:

#### **John Dussault:**

What do you concerning book? It is not important to you? Or just adding material if you want something to explain what yours problem? How about your time? Or are you busy particular person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every person has many questions above. They must answer that question mainly because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this specific Sexualities and Identities of Minority Women to read.

#### **Gregory Kile:**

This Sexualities and Identities of Minority Women is great publication for you because the content that is full of information for you who all always deal with world and get to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but difficult core information with attractive delivering sentences. Having Sexualities and Identities of Minority Women in your hand like having the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen tiny right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. active do you still doubt in which?

#### **Brooke Lambeth:**

You can spend your free time to learn this book this e-book. This Sexualities and Identities of Minority Women is simple to create you can read it in the park your car, in the beach, train as well as soon. If you did not have got much space to bring typically the printed book, you can buy the actual e-book. It is make you quicker to read it. You can save typically the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

#### **Nancy Landry:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Sexualities and Identities of Minority Women can make you truly feel more interested to read.
