Chi is a mischievous newborn kitten who on a leisurely stroll with her family finds herself lost and alone. Separated from the warmth and protection of her mother, desperately attempts to reunite with her family of feral cats. When the kitten feels all hope is lost, she is found in a park by a young boy named Yohei and his mother. After taking a tumble Yohei feels just as distraught as the kitten he sees before him, and he quickly takes comfort in feeling a sense of sympathy with the cat. And before she could even know what hit her, the little kitty was picked up and soon under the protection and care of Yohei's family--the Yamada's. Every moment of their daily life is filled with something we can all cherish.

In the seventh volume of Chi's Sweet Home, the titular feline heroine of this series finds herself in her biggest predicament yet. While exploring her new neighborhood with a new young feline peer, she becomes lost as a downpour has masked the scents she was so heavily relying upon for direction. Confused and hungry the two decide to hunt around the community for scraps as substance. After searching for leftovers and meals left for other unaware pets turned fruitless, Chi and her new friend Cocchi resort to more extreme measures to keep their energy flowing.
