Little Bunny's Butterflies (Springtime Shakers) Debbie Rivers-Moore

This charming confetti-shaker board book tells toddlers an engaging little animal story having a springtime theme. The book is designed with a central cutaway section that is repeated from the front through the back covers and on every page. Inside the cutout, a cheerful bunny illustration is captured inside a closed, clear acetate double picture window that also contains butterfly confetti. When kids shake the book, the confetti floats happily around the happy little bunny.
