Quotations on Jewish Sacred Music is a collection of over 700 quotations culled from an array of sources, including rabbinic and theological texts, sociological and anthropological studies, and historical and musicological examinations. The book is divided into five chapters: What Is Jewish Music?; Spirituality and Prayer; Hazzan-Cantor; Cantillation-Biblical Chant; and Nusach ha-Tefillah-Liturgical Chant. Taken as a whole, these quotations demonstrate both the centrality of music in Jewish religious life and the diversity of thought on the subject. They can be used with profit in sermons, speeches, and papers, and may be read in order or selectively. This is a valuable and easy-to-use reference book for scholars, musicians, synagogue staff, and anyone else seeking concise thoughts on major aspects of Jewish sacred music.
