## **Scotland: A History from Earliest Times** Alistair Moffat

From the Ice Age to the recent Scottish Referendum, historian and author Alistair Moffat explores the history of the Scottish nation. As well as focusing on key moments in the nation's history such as the Battle of Bannockburn and the Jacobite Risings, Moffat also features other episodes in history that are perhaps less well documented. From prehistoric timber halls to inventions and literature, Moffat's tale explores the drama of battle, change, loss and invention interspersed with the lives of ordinary Scottish folk, the men and women who defined a nation.
