Joker and Maverick

Architexts: Volume 1 Joker and Maverick

Architexts tells the story of the employees of the fictitious architectural firm, Franklin + Newbury Architects. The projects at Franklin + Newbury Architects aren't all that exciting; mostly tenant fit-outs, small commercial renovations, feasibility studies... not much new construction. It's pretty much a typical architectural firm. The lack of exciting design work makes the young production staff jaded and cynical. Every day is a new struggle with their mundane jobs, forcing them to constantly find ways to amuse themselves. The staff of Franklin + Newbury Architects is made up of designers and drafters ranging from recent graduates who still have high expectations for their careers and the profession, to more experienced designers in their mid-thirties who would like to work in a better firm but feel stuck. Sadly, the comics are based on the real-life experiences of architectural professionals. Your office may not be exactly like Franklin + Newbury Architects, but we are sure you will be able to relate to the situations and hijinks that occur. ARCHITEXTS: VOLUME 1 is a collection of all the comics from the first year of Architexts, plus some never-before-seen content. Visit Architexts online at <http://architexts.us>
