Trinity couldn't help but to fall for the captivating and handsome Quaran. Their relationship blossomed into much more than what Trinity thought possible. But as fate would have it, not even the happiest relationships are perfect. Obstacles are thrown from many directions, which ultimately threatens the union between the two. Determined to make things work with Quaran forces Trinity to make a hasty decision, that might cost her, her life. After finally meeting a woman that Quaran could take serious, he thought he had it all. Q finds the saying, 'all good things must come to an end' to be true when a series of events turns his world upside down. He's forced to go back to his old ways, causing his inner savage to resurface. Will Trinity ultimately meet her fate or does she pull through? Will Quaran finally put an end to the chaos that has disturbed his peaceful life? Or does the enemy prevail and bring down everything they're trying to build?
