Super

Ernie Lindsey

Super Ernie Lindsey

"Exciting, thrilling, and full of deception, this is one of my favorite books of the year." - *Jason Gurley, bestselling author of Greatfall*

"Every hero's journey has a beginning, middle, and end...I am that end."

A world mourning a fallen superhero.

A president targeted for assassination.

A conspiracy that runs deeper than anyone expects.

Leo Craft is the best at what he does; he assassinates superheroes, but only the ones who deserve it. Life is good, simple, until an ultra-secretive government agency hires Leo to execute two impossible tasks: eliminate the world's foremost superhero, Patriotman, and hunt down a fellow assassin whose target is the President of the United States.

When everyone wears a mask, trust is hard to come by - and even the elusive truth can be caught in a web of lies.

From reader reviews:

Melissa Jackson:

Nowadays reading books become more than want or need but also become a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want have more knowledge just go with training books but if you want truly feel happy read one using theme for entertaining including comic or novel. The actual Super is kind of guide which is giving the reader erratic experience.

Noel Stevens:

This book untitled Super to be one of several books that will best seller in this year, that's because when you read this e-book you can get a lot of benefit onto it. You will easily to buy that book in the book retail store or you can order it through online. The publisher in this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Mobile phone. So there is no reason to you to past this guide from your list.

John Jones:

Reading a reserve tends to be new life style in this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write to their book. One of them is this Super.

Irene Robertson:

The reason why? Because this Super is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.
