The Best Little Boy in the World Grows Up

Andrew Tobias

The Best Little Boy in the World Grows Up Andrew Tobias

Twenty-five years ago, the bestselling financial writer Andrew Tobias wrote a classic coming-of-age memoir called *The Best Little Boy in the World*. He had to write it under a pseudonym, John Reid, because the book was about a cultural taboo--homosexuality--and Tobias was not ready to discuss the subject even with his parents. That book has entertained and educated over a million readers and has never gone out of print. Now Tobias has returned to tell the next part of his personal story, and the story of a civil rights movement, in this witty and affirming memoir, **The Best Little Boy in the World Grows Up**.

America has come a long way since the early seventies and so has Andrew Tobias. What hasn't changed is the author's sense of humor and his gift for telling stories. Here, the tales range from the personal (accounts of heartbreak and love) to the political (coming out to the president of the United States and a crowd of eight hundred others at a time when it was less fashionable to be out than it is now).

Tobias describes the distance traveled from infatuation to love, from adventure to commitment, from confusion to self-awareness. The result is a heartfelt and frequently hilarious coming-of-middle-age-story, told with candor, charm, and the kind of wisdom that can only come from the experience of having grown up in exciting times and a changing world. "This book is the story of that change, at least from my small window on it," Tobias writes, "and a thank-you note to those--very possibly including you--who through their goodwill and open minds have helped change it."

From reader reviews:

Larry Gutierrez:

This The Best Little Boy in the World Grows Up is great publication for you because the content that is full of information for you who also always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great manage word or we can say no rambling sentences in it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with beautiful delivering sentences. Having The Best Little Boy in the World Grows Up in your hand like finding the world in your arm, info in it is not ridiculous one. We can say that no publication that offer you world in ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. active do you still doubt that will?

Brian Griffith:

In this era globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. The book that recommended to you personally is The Best Little Boy in the World Grows Up this guide consist a lot of the information in the condition of this world now. That book was represented how does the world has grown up. The terminology styles that writer use to explain it is easy to understand. The actual writer made some investigation when he makes this book. Honestly, that is why this book acceptable all of you.

James McFarland:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Best Little Boy in the World Grows Up can make you truly feel more interested to read.

Naomi Dillon:

Some individuals said that they feel weary when they reading a e-book. They are directly felt the item when they get a half portions of the book. You can choose the book The Best Little Boy in the World Grows Up to make your own reading is interesting. Your current skill of reading proficiency is developing when you like reading. Try to choose very simple book to make you enjoy to study it and mingle the idea about book and looking at especially. It is to be 1st opinion for you to like to open a book and read it. Beside that the book The Best Little Boy in the World Grows Up can be your friend when you're really feel alone and confuse

using what must you're doing of their time.
