The Watchmen's Cry Obadiah Frank

Modern Bible scholars teach that the Church will be miraculously kept from Tribulation in an event called the "Rapture," yet the Bible is strangely quiet about such an event! This fascinating book finally makes the study of the last days understandable. Using clear explanations, the notion that the church will be "raptured" before the time of the "Great Tribulation" is proven a dangerous deception. The key to understanding Bible prophecy is revealed, and the fascinating reason why this key has been kept hidden for generations only to be recently made known is explained.
