The Wedding Party

Robyn Carr

The Wedding Party Robyn Carr

After her divorce, Charlene Dugan vowed never to get married again—a promise she has kept for twenty-five years. Until the fateful day she finds herself uttering the well-known phrase—"Let's get married!"

Almost immediately, Charlene's seemingly perfect life begins unraveling at the seams. Daughter Stephanie's own relationship is about to disintegrate, and she might be just a teensy-weensy bit jealous of her mom. And Charlene seems to be spending more time with her ex-husband than with her fiancé, Dennis. What's more confusing is that Dennis doesn't seem to mind too much. In fact, he sees the wedding consultant more often than Charlene does.

The wedding party is now officially out of control. They're calling for rain and the bride has cold feet. This isn't exactly what Charlene had in mind. But maybe it's not too late to finally decide on who and what she really wants.

From reader reviews:

Lorraine Briggs:

Nowadays reading books be than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with training books but if you want experience happy read one together with theme for entertaining such as comic or novel. Often the The Wedding Party is kind of e-book which is giving the reader erratic experience.

Donald Perkins:

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is within the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you find the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen within you if you take The Wedding Party as your daily resource information.

Larry Tatro:

You could spend your free time to read this book this e-book. This The Wedding Party is simple bringing you can read it in the area, in the beach, train as well as soon. If you did not have got much space to bring typically the printed book, you can buy often the e-book. It is make you simpler to read it. You can save often the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Clara Brownfield:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book has been rare? Why so many concern for the book? But almost any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but also novel and The Wedding Party or others sources were given expertise for you. After you know how the great a book, you feel desire to read more and more. Science guide was created for teacher or maybe students especially. Those textbooks are helping them to bring their knowledge. In various other case, beside science reserve, any other book likes The Wedding Party to make your spare time much more colorful. Many types of book like here.
