Wager

Machado de Assis

Wager Machado de Assis

Set in Rio de Janeiro on the eve of the abolition of slavery in 1888, this tells the poignant story of an elderly diplomat captivated by a beautiful young widow. Imbued with autumnal sadness, it shrewdly and ironically portrays a man coming to terms with the passing of the world he knows, and with his own old age and death. De Assis (1839-1908) displays in his ninth novel the dry wit and measured understanding of human nature that earned him his reputation as Brazil's first major writer. "" - Publishers Weekly. ""It is not enough to say that he is an important American novelist; he is one of the masters in either hemisphere."" - NY Times.

From reader reviews:

Wilma Bates:

Inside other case, little people like to read book Wager. You can choose the best book if you want reading a book. Given that we know about how is important a new book Wager. You can add understanding and of course you can around the world by a book. Absolutely right, because from book you can know everything! From your country right up until foreign or abroad you can be known. About simple matter until wonderful thing you can know that. In this era, we could open a book or searching by internet system. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's study.

Mary Buss:

Book is to be different for every grade. Book for children until finally adult are different content. As it is known to us that book is very important usually. The book Wager has been making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The guide Wager is not only giving you more new information but also to get your friend when you experience bored. You can spend your own spend time to read your reserve. Try to make relationship with all the book Wager. You never experience lose out for everything should you read some books.

Sherry Holsey:

Information is provisions for people to get better life, information these days can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is inside former life are challenging to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you have the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Wager as the daily resource information.

Craig Palmer:

Is it anyone who having spare time in that case spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Wager can be the respond to, oh how comes? It's a book you know. You are so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
