**Amazing Iceland** Naira R. Matevosyan, Richard Matevosyan

Daringly situated on the tectonic plates of both European and North American continents, Iceland perpetually shifts and drifts apart, leaving violent yet beautiful scars on the landscape. A 'Land of Fire and Ice,' it is a mix of crisp and uncanny scenery where glaciers and erupted lava equally dot the shores of the island. Join your exotic tourmates (the fennec fox and the chipmunk) to explore this Nordic island-paradise. Exceptional flora and fauna, magnificent display of aurora luminescence- tangoing in the starry sky, fast and spirited Icelandic horses 'flying' in rocket gaits and tölt, elves homes, glacier caves, geyser spa, enchanting waterfalls, active volcanoes, whale-watching boat-trips between the icebergs, or tasty beverages from the glacier pure water, are experiences one can never forget. Welcome to Iceland !
