The Egyptian Postures of Power are an ancient system of energy healing techniques that were used by the ancient Egyptians in order to maintain optimal wellbeing and vitality. Just like Qigong, Tai Chi, Yoga, & Vedic Mudras; the Egyptian system utilizes the sacred movements, postures and geometry of the body to go in harmonic resonance with different universal energies. These energies are then used for specific purposes of ceremony, wellness, enlightenment, and personal growth. For thousands of years these methods have been utilized to cleanse, balance, and align our physical, mental, emotional, and spiritual bodies with the natural life giving forces of the universe.
