TIME For Kids World Atlas Editors of TIME For Kids Magazine

This atlas takes children on a voyage around the world in 144 exciting, full-color pages with more than 200 photos and 50 easy-to-understand topographic and political maps featuring superbly designed visual information. The itinerary begins with a 12-page introduction to the Earth's demographics and data. Children can then travel to each of the 7 continents and key regions of the world, with stops at every country to view world fact files, flags and fact-filled highlights from nations around the globe. Or kids can check out the "World at a Glance" section and learn about every country in the world. Each country's flag, area, population, capital, languages, government, currency and more are at their fingertips. Lively activities and questions will have kids interacting with in-depth information about the country's people, places, animals, and ways of living. This book gives kids an extraordinary chance to travel around the world and learn about many places and cultures. This is sure to be a reference book that teachers and parents will recommend to their students and kids.

From reader reviews:

Lisa Streeter:

What do you consider book? It is just for students since they're still students or this for all people in the world, exactly what the best subject for that? Just you can be answered for that problem above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't desire do that. You must know how great as well as important the book TIME For Kids World Atlas. All type of book could you see on many options. You can look for the internet options or other social media.

Tina Olsen:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a understanding or any news even a concern. What people must be consider if those information which is inside the former life are hard to be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you obtain the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take TIME For Kids World Atlas as your daily resource information.

Marie Clemmer:

The actual book TIME For Kids World Atlas will bring you to the new experience of reading any book. The author style to describe the idea is very unique. When you try to find new book you just read, this book very suited to you. The book TIME For Kids World Atlas is much recommended to you to see. You can also get the e-book in the official web site, so you can more readily to read the book.

Robin Lawrence:

Reading a e-book tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this TIME For Kids World Atlas.
