When her dad gives her the gift of land that would normally go to the eldest son, it includes a bakery he built as an offering to a suitor for her. No one wants marriage for Lillian more than she wants it for herself, but at twenty-five, she fears she will end up a spinster if Seth never returns her secret feelings for him. Thirty-year-old **SETH MILLER** is loaded down with the responsibility of caring for an overbearing father. His loyalty to his father's farm has caused him to put his own needs on hold his entire adult life. Being secretly in love with Lillian for many months, he finds it difficult to speak to her because he lacks the confidence having never dated before. Will the contents of an old spice box change everything for both of them? Or are they destined to admire each other from afar indefinitely? **BOOK THREE:** Lizzie's lies from the past have finally caught up to her, and are wreaking havoc in Abby's life. When Abby and Jonah Beiler get branded by the youth in the community as "kissing cousins", will the truth be able to set them free, or will it be too late? Find out in this story of forbidden love... **BOOK FOUR:** Caleb has a secret he's kept to himself for too many years. When he crosses paths with Katie Graber, the new school teacher, he discovers she has a secret of her own. Hoping for an opportunity to get out of a prearranged marriage to a man she doesn't love, Katie enlists the help of Caleb. In exchange, she must agree to help him change his own life to overcome the shame his secret has brought him. The two of them make a promise to help one another, and to keep each other's secrets. But those secrets will change things in a way neither of them could have ever expected. **BOOK FIVE:** After tragedy struck Noah Beiler's life nearly two years ago, he turned his back on his faith and the community. No one except Rose knows he has remained in the dilapidated home that overlooked the pond that he'd grown to despise. When new tragedy strikes, he is forced out of hiding. Will chasing fireflies on a warm, summer night change his life forever? Find out in this tale of summer love... **BOOK SIX:** Lizzie's troubled past has finally come full circle. When Levi Schrock shows up to work as a hired hand on her father's farm, no one suspects he's an impostor. A chance meeting with her daughter, Rachel, on his first day in town could change Levi's mind about his plans, as well as his heart. **BOOK SEVEN:** Lila King pays a visit to her uncle Jessup and her new Aunt Bess at the B&B, and ends up getting into the middle of more than she bargained for in this final look into the lives of the families you have come to know in the series.
