Art Through the Eyes of the Soul Cheryl Rose-Hall

In this book, Cheryl Rose-Hall shares the unique painting technique that she has developed. As a sensitive, she shares how she paints by attuning to her subjects through the eyes and spirals out from that central point. Using historical data along with her psychic impressions, she creates empowered works of art based on sacred sites and their mythology. This book includes photos, images, and research that the public has never seen before. This is reiterated in the brilliant forward by Dr. Jean Houston. The book is divided into the four mythic lands where Cheryl lives and creates. Narnia (Northern Ireland), Lemuria (Mt. Shasta), Avalon (UK), and Bohemia (Prague, Czech Republic). There are 120 color photos and 60 color paintings and their stories. Some of the highlights include The real portrait of Mary painted by St. Luke, the actual Kingdom of Narnia, and the rarely seen ancient Lemurian petroglyphs near Mt. Shasta documented by archeologists.
