Beyond Xen: Where Passion and Compassion Intersect Alezhiah Ellis

When we're all shipwrecked together stuck out in the middle of the sea, we tolerate one another. But, when we're rescued ashore, we retreat to Xen - Our isolated silos of moral escape where we are most comfortable practicing xenophobic works of darkness: racism, distrust, hatred, exploitation, disrespect, insensitivity, discrimination, separatism, and other unnecessary iniquities. We Help to "shine the light" differently on people from "all walks of life" by elevating your consciousness of xenophobic delusion and liberating you from xenophobic practices that promote disunity..."Promoting Spiritual Truths in the face of collective delusion." • XEN is comparable to that detestable food you refuse to eat unless you're starving. Beyond Xen is not a [place] which is merely defined as material physical elements of existence, but is a spiritual [space] that has been transformed by human elements of existence. Beyond Xen is a loving spiritual conviction that transcends a lifetime pursuing unifying ideals that promote "SOCIAL STEWARDSHIP." As believers, we are all members of the same Body of Christ, representing different parts whereby each is given certain spiritual gifts to be shared with one another collectively for the common good. Therefore, we should all endeavor to leave no one behind, and move Beyond Xen - "Beyond the Darkness of Xenophobic Delusion." This Book serves as your gateway to a new life "Beyond Xen...Where Passion and Compassion intersect."
