Imagine finding a partner who is just as naughty, kinky and dark as you are, a lover who wanders the hardware store with you in search of new 'toys,' a man who can wrangle both you and the dishes into submission, a woman who accompanies you to office parties and play parties. Think that heady combination of: sweet and sexy, dirty and romantic, love and leather. *Bound By Lust* is a romantic, couples-focused erotica with a BDSM slant. The couples range from newly blossoming relationships, long-time loves and reunited flames. The BDSM aspect of this is both naughty and nice -- bondage, spanking, domination, submission, power-play, pain and pleasure, or whatever your dirty mind can think of. Bring on the rope and rough stuff, the dens and dungeons, the corsets and clamps and cuffs. Romance can be a little rough and still have VERY happy endings!
