## **Jamaica's Michael Manley: The Great Transformation (1972-92) David Panton**

JAMAICA'S MICHAEL MANLEY: THE GREAT TRANSFORMATION (1972-92) About the Author David Panton is a 21-year-old Jamaican. He received his B.A. in Public Policy (with high honours) from the Woodrow Wilson School of Public and International Affairs from Princeton University. He is the recipient of the 1993 Rhodes Scholarship from Jamaica and is presently a student at Harvard Law school. About this Book In 1980 Michael Manley lost the General Election after administering a Government that had taken Jamaica on a statist socialist course while seeking to develop a strong ideological base. Following his departure from Government he moderated his radical socialist image and completed a massive ideological shift to the right. No one, including Manley himself, however, had predicted that the switch he underwent in his three-year tenure, prior to retiring, would have been so drastic and indeed dramatic. In the book the author examines this shift against the background of similar radical changes that have occurred globally in the past decade. This book, when seen through the analytical eye of a young and so to speak uninvolved person, provides us with a most important literary work. "This is a very important-one might say even definitive-discussion of an important and controversial development experience in Jamaica, that is all the more useful because of its even-handed and fair treatment of all those involved" - Professor Paul Sigmund (Professor of Politics, Princeton University).

#### **Stephen Medley:**

Is it you who having spare time subsequently spend it whole day by watching television programs or just laying on the bed? Do you need something new? This Jamaica's Michael Manley: The Great Transformation (1972-92) can be the answer, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these guides have than the others?

#### **Gloria Quinones:**

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Jamaica's Michael Manley: The Great Transformation (1972-92) can make you experience more interested to read.
