Nonprofits and Government: Collaboration and Conflict (Urban Institute Press)

Nonprofits and Government: Collaboration and Conflict (Urban Institute Press)

Nonprofits and Government provides students and practitioners with the first comprehensive, interdisciplinary, research-based inquiry into the collaborative and conflicting relationship between nonprofits and government at all levels: local, national, and international. The contributors—all leading experts—explore how government regulates, facilitates, finances, and oversees nonprofit activities, and how nonprofits, in turn, try to shape the way government serves the public and promotes the civic, religious, and cultural life of the country. Buttressed by rigorous scholarship, a solid grasp of history, and practical ideas, this 360-degree assessment frees discussion of the nonprofit sector's relationship to government from both wishful and insular thinking. The third edition, addresses the tremendous changes that created both opportunities and challenges for nonprofit-government relations over the past ten years, including new audit requirements, tax and regulatory changes, consequences of the Affordable Care Act and the Great Recession, and new nonprofit and philanthropic forms.

Contributors include Alan J. Abramson, Elizabeth T. Boris, Erica Broadus, Evelyn Brody, John Casey, Roger Colivaux, Joseph J. Cordes, Teresa Derrick-Mills, Nathan Dietz, Lewis Faulk, Marion Fremont-Smith, Saunji D. Fyffe, Virginia Hodgkinson, Béatrice Leydier, Cindy M. Lott, Jasmine McGinnis Johnson, Brice McKeever, Susan D. Phillips, Steven Rathgeb Smith, Ellen Steele, C. Eugene Steuerle, Dennis R. Young, and Mary K. Winkler.
