A pro hockey player with a rough reputation.

An American looking for a taste of adventure.

A chance to turn an intense attraction into something more.

Photographer Caroline Mendoza finally sheds her safe life in Michigan for adventure and a fresh start, and her first stop is Sweden. But Stockholm suddenly becomes more than just a casual stopover when Caroline discovers her reclusive next-door neighbor is ex-Red Wings player Niklas Almquist, whose high-profile alpha bad-boy image, both on and off the ice, has followed him back to Sweden.

While Niklas's darker side draws her to him, she knows the sensible decision is to move on from Stockholm before she gets too attached. Her time in Stockholm is running out. She must choose between what is safe and what her heart tells her is right. Is she strong enough to take the risk?

This is a stand-alone romance novel at 65,000 words with a HEA. Stockholm Diaries, Caroline 2 is the next episode in their adventure.
