Tribute to Another Dead Rock Star Randy Powell

Grady is skateboarding toward a major decision

No longer able to live with his grandmother, fifteen-year-old Grady Grennan has to find a new address. one option is to move in with his mentally disabled half brother, Louie, in Seattle. But that poses a problem: Louie's adoptive mother, Vickie, and Grady are about as compatible as Mozart and heavy metal.

Nevertheless, Grady's testing the waters. He's in Seattle for a concert tribute to his and Louie's mother, a grunge rock icon who died three years ago. Grady has been invited to speak at the tribute, but what is he supposed to say to thousands of adoring fans about a mother who abandoned her sons in favor of a musical career?

Both humorous and deeply moving, *Tribute to Another Dead Rock Star* poses challenging, provocative questions to all sorts of readers -- cynics, liberals, slackers, and rock stars included.
