Animals are part of our family. Yet the law doesn't see them that way. Is there a practical solution? Yes, now there is. Although written by a lawyer, *We've Got Feelings Too: Presenting The Sentient Property Solution* speaks not to lawyers in 'legalese,' but to you-the animal lovers who hire them. Weaving years of legal research and true events with unavoidable life challenges, the author delivers an answer in a positive visionary court case that is ready to use now.
