While home on Christmas break, a seventeen-year-old Senate page takes her dog out for a walk and never returns. Reporter Cassidy Shaw is the first to break the story. The resulting media firestorm quickly ensnares Federal Prosecutor Allison Pierce and FBI Special Agent Nicole Hedges. These three unique women, life-long friends, call themselves The Triple Threat--a nickname derived from both their favorite dessert and their uncanny ability to crack cases using their three positions of power. At first, the authorities think Katie might have been kidnapped or run away, but those theories shatter when Nicole uncovers Katie's blog. Posts reveal a girl troubled by a mysterious relationship with an older man . . . possibly a U.S. Senator. There are many faces of betrayal, but they must find one face in a crowd of growing suspects before they become the next victims.
