For The Love of a Boss (Volume 1) Evie Shonte

Austin Tyler is just a typical young girl growing up in Philadelphia. Her mother, Gina, gave birth to her at the tender age of thirteen. Gina, was more like a friend than a mother to Austin. Like most girls in her situation, her goals mirrored that of her mother: using her body to get what she wants. That is...until she meets Tyreek. Tyreek has the potential to change her life in more ways than one. However, there is more than one person vying Austin's attention. Austin's best friend, D.C., is an up and coming rapper and can open doors for her as well, more than she ever even imagined, allowing her to enter the world of modeling. This also opens her up to the judgmental opinions of others, eventually dubbing her the 'black Kim Kardashian', because people care more about her personal life, than her talent. Will Austin find it easy to live her life while millions are watching?
