From the moment famed psychic Linda Georgian confided in others about her psychic gift, the questions she's been asked the most have been about love. In *How to Attract Your Ideal Mate*, she shares her insights and reveals the principles she's relied on to guide people to finding their soul mates and more fulfilling relationships.

**THE LAW OF LOVE:** You must first love yourself before you can give love to others. If you live in a state of love, you will create the energy to attract your ideal mate.

**THE LAW OF PREPARATION AND ATTRACTION:** To attract your ideal mate, you must know what you want and need in a relationship, and make certain that what you want and what you ask for are the same thing.

**THE LAW OF MAINTENANCE:** Once you've found your mate, you must picture the emotional, physical, mental, and spiritual aspects of the relationship so romance continues to grow.

**THE LAW OF LETTING GO:** This principle shows you how to recognize when a relationship is no longer working, how to let go of a partner lovingly, and how to move forward to a new relationship.

In each chapter, Ms. Georgian shares the inspiring stories of actual relationships, reminding us that true love doesn't have to be a fairy-tale dream, but can be a wonderful reality in anyone's life.
