Monster High: Welcome to Monster High: The Junior Novel Perdita Finn

Welcome to Monster High! You know that Monster High is the most creeperific school in the world, but do you know how it came to be? It all started with a girl named Draculaura-the daughter of Dracula-who had a dream about creating a place where monsters could belong, get along, and be themselves. To make her dream come true, Draculaura and her best ghoulfriends went on fangtastic adventures around the world to recruit monsters to attend Monster High. But all was not perfectly monstrous at Monster High when a villainous zombie set out to ruin everything Draculaura and her friends worked so hard for. Can the ghouls save the day...and save Monster High?
