Recovery From Schizophrenia: Psychiatry and Political Economy Richard Warner

The first edition of *Recovery of Schizophrenia* was acclaimed on publication as a work of major importance. It demonstrated convincingly, but controversially, how political, economic and labour market forces shape social responses to the mentally ill, mould psychiatric treatment philosophy, and influence the onset and course of one of the most common forms of mental illness. In this revised and fully updated edition, Dr Warner examines the changes in approach to schizophrenia since publication of his original book and analyses new research to answer the question: 'Are they advances or not?'
