The Rebel's Return (Red River) Victoria James

Natalia Puccini has spent her entire life playing by her overbearing but well-intentioned Italian family's rules...except the one time she took a chance on a bad boy and fell hard. She's worked to get her life back on track so when Aiden McCann comes sauntering back into town with his heart-stopping smile, Natalia vows not to fall for him again. There's no way she'll let him mess with her perfectly planned life...and there's no way she'll let him near her heart again...

Now reformed and a self-made success, Aiden is tormented by regrets and secrets. He left Red River years ago filled with anger and resentment and a promise to never come back. But when his ill father needs help, Aiden knows it's time to face the mess he left behind, and face the one woman he never got over. It doesn't matter how beautiful or intriguing she is, though, because he'll never be able to give her what she needs. As soon as his father is healthy, Aiden is leaving Red River...for good.

Each book in the Red River series is a standalone, full-length story that can be enjoyed out of order.

Series Order:

Book #1: A Risk Worth Taking

Book #2: The Best Man's Baby

Book #3: The Doctor's Fake Fiancee

Book #4: The Rebel's Return

From reader reviews:

Nicole Marcil:

Book is definitely written, printed, or created for everything. You can understand everything you want by a guide. Book has a different type. As it is known to us that book is important matter to bring us around the world. Close to that you can your reading skill was fluently. A reserve The Rebel's Return (Red River) will make you to become smarter. You can feel considerably more confidence if you can know about every thing. But some of you think that will open or reading some sort of book make you bored. It's not make you fun. Why they might be thought like that? Have you looking for best book or suited book with you?

Kevin White:

Playing with family inside a park, coming to see the coastal world or hanging out with pals is thing that usually you may have done when you have spare time, in that case why you don't try thing that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Rebel's Return (Red River), you can enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh seriously its mind hangout folks. What? Still don't obtain it, oh come on its known as reading friends.

Pablo Torrey:

With this era which is the greater individual or who has ability in doing something more are more important than other. Do you want to become certainly one of it? It is just simple way to have that. What you are related is just spending your time not very much but quite enough to have a look at some books. On the list of books in the top collection in your reading list is definitely The Rebel's Return (Red River). This book that is qualified as The Hungry Slopes can get you closer in turning into precious person. By looking up and review this publication you can get many advantages.

James Rohrbach:

Do you like reading a publication? Confuse to looking for your selected book? Or your book had been rare? Why so many issue for the book? But just about any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but novel and The Rebel's Return (Red River) or even others sources were given understanding for you. After you know how the great a book, you feel wish to read more and more. Science book was created for teacher or students especially. Those books are helping them to increase their knowledge. In other case, beside science publication, any other book likes The Rebel's Return (Red River) to make your spare time considerably more colorful. Many types of book like here.
