The book of Proverbs positions us face-to-face with the wise and the fool and the consequences that follow their choices. The text is highly personal, at times uncomfortably transparent, and doesn't mess around in zeroing in on the world's greatest temptations that threaten to lead us astray from walking in the wisdom that God intended for us. This six-week Love God Greatly study points to a topical look at Proverbs and the key themes of wisdom in our speech, our relationships, our work and wealth, and in the face of temptation. Trust in the Lord instead of your own understanding is where the book of Proverbs ultimately leads us. God is the source of all wisdom, He uses these proverbs to show us the path that leads to wisdom, and He reveals to us the fruit of walking in this great wisdom... so that our trust is ultimately not in our floundering ways, but can be found securely in Him. Journal with us as we dive into God's Word together...reading and writing what God speaks into your heart along the way.
