## **God's LGBT Children in Ukraine, Russia, Belarus, and Moldova: Homosexuality is Not Sinful, Demonic, or a Mental Illness (Russian and English Edition)** An Eastern Orthodox Bishop

The book is in Russian and includes a full English translation. It is authored by an Eastern Orthodox Bishop for LGBT individuals in Ukraine, Belarus, Moldova, and Russia. The book will resonate with Eastern European LGBT persons who are “out and proud,” out to a select few, and those who live quiet lives of isolation and hopelessness. The Bishop answers a series of questions about social, political, religious, and spiritual issues that directly impact LGBT persons in Eastern Europe. His answers provide love, comfort, and support to those enduring homophobia. The questions presented reflect those that many LGBT individuals struggle with in Eastern Europe. They are answered in plain, simple language often referencing Orthodox thinkers, theologians, and philosophers from Eastern Europe. Table of Contents
