Connect Access Card for Understanding Human Anatomy & Physiology Susannah Longenbaker

McGraw-Hill Connect for Anatomy & Physiology is a teaching and learning platform that is proven to deliver better results for students and instructors. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- LearnSmart Prep for A&P - Prep is the only adaptive preparation tool available for students today. Areas of individual weakness are identified and remediated in order to help students improve their understanding of core prerequisite content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Anatomy & Physiology REVEALED®, a mobile-ready and proven effective virtual tool, allows students exposure to the human body and anytime, anywhere practice. Using state-of-the-art technology, Anatomy & Physiology REVEALED® allows students to view layers of high quality, realistic cadaver images, 3-D Animations, and practice their knowledge of structures through Anatomy & Physiology REVEALED's self quizzes.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here:
